Hi, Mark.

I'm planning to be off on Friday, but I would like to attend this meeting via conference call, if possible. Could you send me a call in number, or could you give me a ring that morning on my cell (720-935-5354)?

I'd be happy to meet with you and Scott earlier this week, as well. My calendar should be up-to-date.

Thanks!
Cynthia

Cynthia, please join us if you can for a strategy meeting with Rob and Scott. If you will be out of the office on Friday, I plan on having a pre-meeting w/ Scott earlier in the week. Just let me know your availability. Thank you. --Mark

Kelcey asked me to move trip back a week, so I'm rescheduling this meeting. I had hoped to do it earlier in the week, but Rob is only in the office on Friday that week. I've got a noon flight to Seattle Friday so first thing in the morning looks like

the only time that works. If this time works for you both, let's leave it on the calendar for now. We can always cancel later if we decide it's not necessary.

Thanks,
